ENVISAGE CORE

02

2.1 VISION & MISSION
2.2 CORE VALUES

2.1 VISION & MISION

VISION

We aim to be the first choice of every leading architect, interior designer and property developer looking to partner for their aesthetically appealing and high quality projects. We firmly believe by providing our partners with best service and product, our brand would not only be able make a statement but also bring the popularity it deserves and accolades for its uniqueness and quality.

MISSION

It would be our utmost quest to offer high-end products by creating strategic alliances with selected brands. We are committed to ensure that every solution we provide meets highest standards of quality and design.

We hope to gain our clients trust and faith in us by making sure to provide innovative solutions to all their construction needs and coming up with new product ranges to delight their expectations.

Envisage exists due to its strong loyalty to its core values. It is essential to us to stay committed to our values to grow, achieve, prosper and be a well-trusted brand in the current competitive market.

2.2 CORE VALUES

01. INTEGRITY

The key to our successful partnership is our honesty and integrity towards every endeavor we have pursued from the inception of our very first company.

02. INNOVATIVE DESIGN

Our idea is to bring newest high quality and innovative designs in each of our product ranges. Our selection comprises of best and unique trends and solution to create awe-inspiring spaces.

03. QUALITY COMMITMENT

We are dedicated to exceed the expectation and bring full satisfaction to our customers. All services and solutions are monitored and it is respectively ensured that each product meets international architectural standard.

04. SPECIALIZED IN BIG PROJECTS

Each project, no matter how small or big is carefully designed with a lot attention paid to every little detail. Our wide range of products caters to every need and desire of developers and builders and is set to achieve high levels of satisfaction.

SELECTED PRODUCT RANGE

03

- 3.1 OPPEIN
- 3.2 TILES
- 3.3 NATURAL MARBLE
- 3.4 SERVICES WE OFFER

One of our main suppliers is **OPPEIN HOME**, the largest manufacturer in Asia. With more than 25 years of business experience, the company is worldwide known with more than 6000 showrooms around the world, being the top kitchen cabinet brand in China.

When we talk about them, we talk about **SAFETY, FUNCTIONALITY AND AESTHETICS**. So, we're more than proud to offer the best OPPEIN kitchen cabinets, wardrobes and walk-in closet, bathroom cabinets, interior doors, kitchen electrical appliances and accessories.

3.1 OPPEIN

CERTIFICATIONS

QUALITY MADE IN ASIA

From the prime materials to the delivery, OPPEIN has established a complete quality control management system for all the process steps to be aligned with the European counterparts ensuring the high quality of each product.

OPPEIN works only with the world-leading raw material suppliers and matches with German technology to create an exceptional final product with a very competitive price.

ITALIAN DESIGN

Since the opening of their office in Milan in 2012, OPPEIN has been collaborating with Italian designers and suppliers offering original and trendy designs, in order to compete with the best furniture international brands.

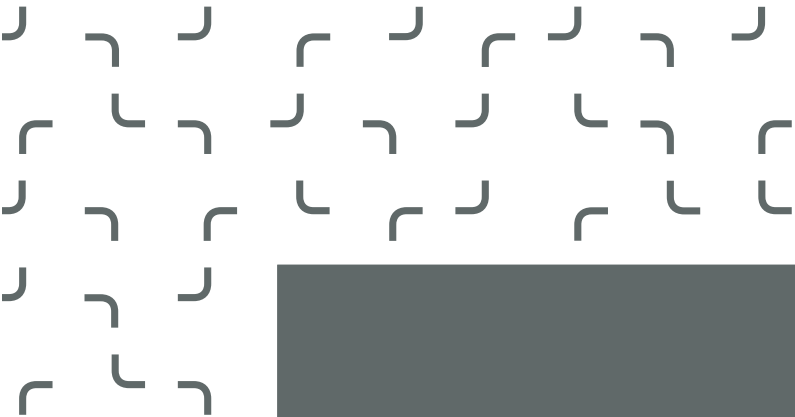

CUSTOMIZED PRODUCT

One of the best things of our partnership with OPPEIN, is working with their team to create customized solutions to satisfy all needs and desires from our customers. Due to the wide choice of materials, finishes and colors we can provide individual and unique spaces, no matter the style, layout or architectural space.

MOMA KITCHEN

(PLCC19119)

This is urban kitchen of industrial style with a yellow island, which makes the whole design lively.

Material finishing

MUSTANG KITCHEN

The stunning combination of grey and brown colors lift the atmosphere and give it a high-end luxury feel. This modern kitchen cabinet design comprising of glossy finish adds glamour to the space and also makes it very practical

(PLCC19001)

due to no filler panels for more open storage spaces. It also consists of purpose built appliance housing unit, with elegant appliances to utilize every inch of the built up.

WALK-IN CLOSET

The walk-in closet has a trendy and modern design. It will help client reduce clutter and utilize the large open spaces in a more organized manner. It can also be customized according to the hanging and folding

(PLYJ19010-083)

spaces requirement for each client to meet every particular need. This layout makes very efficient use of space and makes the closet look very neat and organized.

VANITY CABINET

Our compact bathroom vanity come with both open and closed drawers allowing ample amount of storage without consuming a lot of space. The Melamine material used to build them is water and moisture proof and can go unaffected for long period.

(PLWY19071A)

WALNUT INTERIOR DOOR

(YDA017D)

Dark oak veneer for this interior door is beautiful, versatile and relatively inexpensive. With many house owners choosing to renovate homes to add value, most modernizations include dark tone interior doors to achieve a smart and modern look. It's definitely a look that is becoming more and more desirable.

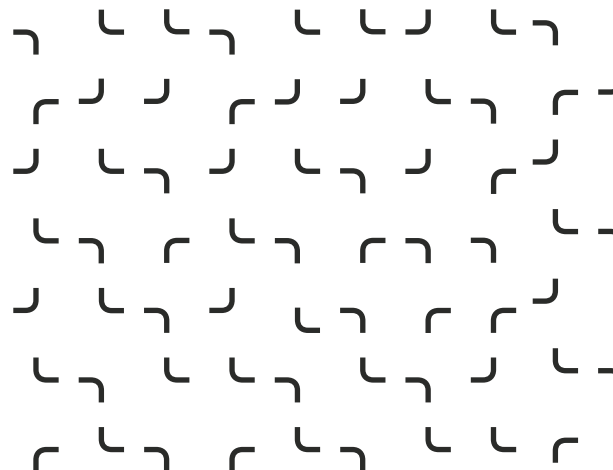

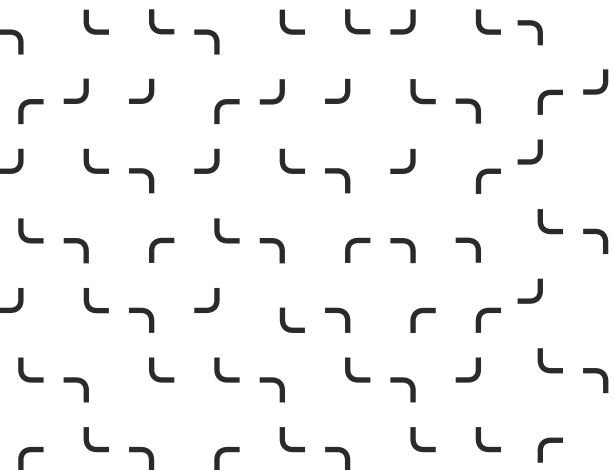

SCIC ITALIA

Luxurious and boutique kitchen manufacturer

We have formed ties SCIC Italia, a luxurious and boutique kitchen manufacturer out of Italy. They have a strong position in the market since 1948.

The company follows a **"total quality policy"** and are always finding new ways to increase their standards.

They are the sole and official licensee of FENDI Cucine brand.

Introducing a wide range of selected flooring for modern and unique interiors, we offer solutions in different styles, finishes and designs, meeting the actual trends and satisfying the different needs and demands.

Our versatile collection suits every individual space be it commercial or residential. All the solutions come with invariable quality and superior technicality to give a perfect high-end finish, quality and service.

Envisage offers different tile designs and finishes to cover all kind of project needs. We're including organic stones, urban-styled concrete, stunning marble looking designs, wood and also décor tiles.
